

This perspective view shows the refrigerator with its door 42 open to the right. The interior includes a top shelf 36, a middle shelf 38, and a bottom shelf 44. A door shelf 46 is visible on the inside of the door. The left side of the refrigerator features a vertical panel 32. Various components are labeled with reference numerals: 34 points to the top interior wall, 36 to the top shelf, 38 to the middle shelf, 42 to the door, 44 to the bottom shelf, and 46 to the door shelf. On the left side, 106 points to a component on the upper wall, 108 to a component on the middle shelf, and 104 to a component on the lower shelf. On the right side, 106 points to a component on the upper wall, 40 to a component on the middle shelf, 108 to a component on the lower shelf, and 88 to a component on the bottom shelf. A dashed box 208 is located on the left side of the refrigerator, indicating a location for a second embodiment.
